

State List of HHS Certified Laboratories and Instrumented Initial Testing Facilities (IITF)  
(29 UNITED STATES LABS and 1 CANADIAN LAB and 1 IITF)

Updated: JULY 01, 2016

Department of Health and Human Services (HHS)  
Substance Abuse and Mental Health Services Administration (SAMHSA)

Title: Current List of Laboratories and Instrumented Initial Testing Facilities (IITF) Which Meet Minimum Standards To Engage in Urine Drug Testing for Federal Agencies

The Department of Health and Human Services (HHS) notifies Federal agencies of the Laboratories and Instrumented Initial Testing Facilities (IITF) currently certified to meet the standards of the Mandatory Guidelines for Federal Workplace Drug Testing Programs (Mandatory Guidelines). The Mandatory Guidelines were first published in the Federal Register on April 11, 1988 (53 FR 11970), and subsequently revised in the Federal Register on June 9, 1994 (59 FR 29908); September 30, 1997 (62 FR 51118); April 13, 2004 (69 FR 19644); November 25, 2008 (73 FR 71858); December 10, 2008 (73 FR 75122); and on April 30, 2010 (75 FR 22809).

A notice listing all currently certified Laboratories and Instrumented Initial Testing Facilities (IITF) is published in the Federal Register during the first week of each month. If any Laboratory or IITFs' certification is suspended or revoked, the Laboratory/IITF will be omitted from subsequent lists until such time as it is restored to full certification under the Mandatory Guidelines.
